

# **\*Update #2\* Troopers Seek Public's Assistance in Identifying Hit and Run Vehicle- Harrington**

**Harrington-** The Delaware State Police are seeking the public's assistance in attempting to identify the pictured vehicle that was involved in a fatal pedestrian hit and run crash.

The crash occurred on Friday, December 14, 2018 at approximately 9:38 p.m. when a pedestrian, a 53-year-old Harrington man was crossing U.S. 13 (S. DuPont Hwy.) from west to east, just south of the intersection with Corn Crib Road. The pedestrian successfully crossed the southbound lanes of U.S. 13 but while in the northbound right lane he was struck by an unknown vehicle which was traveling northbound. The pedestrian was thrown to the pavement coming to rest on the shoulder of U.S. 13. The vehicle did not stop and fled the scene.

Pictures from business surveillance videos were obtained. The suspect's vehicle is believed to be a Jeep, possibly an older Cherokee, Commander, or a 4-door Wrangler with a hard top. The suspect's vehicle appears to be light in color with black trim near the bottom. The vehicle should have damage to the right front fender, missing an amber/orange right side marker lens, and possible scratches and/or damage to its right side. Although the crash occurred at S. DuPont Highway at Corn Crib Road intersection, the suspect's vehicle was last seen traveling eastbound on SR 14 (Milford-Harrington Highway) Milford.

The investigation is ongoing and anyone with information regarding the incident or the pictured fleeing vehicle are asked to contact Sgt. J. Wheatley of the Troop 3 Collision Reconstruction Unit at 302-698-8518.
